<p>Remarks: 3 to 1: I am prepared to concur in the attached memorandum of understanding (Incl. 2) with one proviso, that it is understood that by <u>operational control</u> it is meant to be limited to those <u>programming functions</u> listed in paragraph 8 and that all other control and supervision are the responsibility of DD/R. Would you agree with this? Also, do you believe that supervision of this activity is a suitable duty for [REDACTED] the NRO Staff? I would like to very close working relationships with your people if we do undertake management of this over-all community facility. Perhaps you have an idea of a suitable project officer.</p>
